

FREEDOM PUBLICATIONS COMMITTEE.

*Our little monthly Journal is sent you in the hope that it may interest you sufficiently to become a regular subscriber.*

*It is independent in every way:—Communist in economics, Anarchistic in political outlook; Freethought in ethics.*

*But it welcomes every school of thought if expressed in clear and reasonable language.*

*Its foundation belief, for which it works, is the Libertarian view of life, universal in its application, irrespective of Parties, Nationalities, Races or Creeds.*

*It stands for the formation of humanitarian thought and feeling for the liberation of humanity from the oppression of Capitalism, Coercive Government, and Religious Dogma.*

*It works in sympathy with all movements having similar objectives, and will gladly publish anything dealing with such subjects.*

*All subscriptions should be sent to the Hon. Treasurer who will gladly acknowledge same.*
